## TO WHOMSOEVER IT MAY CONCERN

Cybermarine Knowledge Systems Pvt. Ltd. a premier design and Engineering Consultancy firm in India has been providing value added services to CARLTON INDUSTRIAL ENGINEERS since many years and we are fully satisfied with their work.

We are having a great pleasure to convey that the structural design and engineering done by them for the following Projects were quite impressive and as per the schedule.

1. Raw water Tower
2. Self supporting Burner Boom (100 Ft)
3. 60 Ft Burner Boom and Kingpost
4. 90 Ft Burner Boom and Kingpost
5. Rescue Boat davit and Foundations

We trust that they will continue with their innovative work throughout.

Wishing you all the best.
